Limited time offer!

Located on Mexico's Gold Coast, Mazatlán has long been a favourite destination for those looking to soak up the relaxed pace of life along the Pacific, and Sunquest is proud to introduce it to our line-up for our 2010 program. Nicknamed the "Pearl of the Pacific," Mazatlán is in every respect a top-notch vacation getaway, but without the relentless push to 'go, see and do' that is present in so many places.
